

# Murder Mystery Dinner Party

## The Plot

*The year is 1929 and Lord Fortescue has recently died. His family and friends have gathered at this country estate to hear the reading of the late Lord's will - but amongst the gathering are strangers! Why is there a Chicago gangster? Who is the mysterious and exotic individual? How did Lord Fortescue know a glamorous moll? Have they come to pay their respects or is there a more sinister motive? You are invited to attend and find out - who knows....maybe you will have been left something too.....?*
